**Habitat Interfaith Alliance has teamed up with Total Beverage in Thornton to offer discounts and donations on sales to our many friends and congregation members!**

When you present this card (or sheet) to the cashier at Total Beverage, card users will get a discounted price on products not already on sale. Discounts are either the HIA discount OR the in-store discount whichever is cheaper (but not both). The HIA card discount gives an average **8-13% discount on your purchase any day of the week**. Plus, all sales made with this card will provide a 2% donation back to Habitat Interfaith Alliance. You can also place online orders at [www.totalbeverage.net](http://www.totalbeverage.net) that will qualify for the donation (no card required, just give them our customer number). This is a great opportunity to stock up for coming holidays and help Habitat at the same time. So please pass on this flyer to those you know who shop in Thornton or want to help raise money for our Habitat Homes being built in 2011 & 2012.

**Don't live in Thornton? Total Beverage Delivers!** The delivery charge is approximately \$1.50/mile if delivered Monday through Friday, and \$2.50/mile if delivered on a weekend day. Mileage can be approximated using the [mapquest.com](http://mapquest.com) website. If you want to pick up the order at a later date, there is no additional charge. (Their wine selection is impressive!)
