When you present this card (or sheet) to the cashier at Total Beverage, you will receive an average 8-13% discount (below-sales pricing) on your purchase any day of the week. Plus, all sales made with this card will provide a 2% donation back to Habitat Interfaith Alliance. There are also two specially designated **Habitat Shopping Days** where all sales made from 6 p.m. to 10 p.m. or sales placed online at www.totalbeverage.net will qualify for the donation (no card required). These dates are **Tuesday, August 18th** and **Tuesday, October 20th**. So please tell your friends and distribute this card to anyone you know who would like to help raise money for our Habitat Home being built in 2010.
